

Hunger is a big problem.  
Together, we can solve it.

## School Pantry Program

Kids need good nutrition to grow, develop, and learn properly. Adolescents and teens need extra food to power their rapid growth. Our School Pantry Program provides a convenient supply of food in a location that's comfortable and convenient for kids in need and their families.

Benefits of a school pantry include its convenience, comfort, and familiarity to kids in need and their families. School pantries are operated by school staff who know their school's students and can help anticipate needs. Many students will take food home to feed younger siblings, parents, and even grandparents. All food provided to school pantries is entirely free.

Become a School Pantry Partner by reaching out to the Regional Partnership Coordinator who serves your county. They'll get you started on the road to a school pantry.

Funding for this program is provided in part by the following organizations:

- Variety — the Children's Charity
- Joy in Childhood Foundation

Food Bank of Iowa programs adhere to all USDA nondiscrimination guidelines.
