

Hunger is a big problem.
Together, we can solve it.

Arresting Hunger

The Iowa Department of Public Safety and Des Moines Police Department partnered with law enforcement from across the State of Iowa to raise funds and meals for those in need through the Arresting Hunger campaign. The funds are used to provide Thanksgiving meal kits to families in need in all 99 Iowa counties, plus provide funding to Iowa food banks.

One in six Iowa children are food insecure, and every dollar donated helps fight that insecurity by yielding four meals. As police officers committed to serving our communities, we are dedicated to making a positive impact through our efforts surrounding "Arresting Hunger."

There are three ways you can give — giving online, giving by check (made out to "Food Bank of Iowa," with the words "Arresting Hunger" in the memo line), or giving cash (by filling out an envelope that will be secured and sent to the Food Bank of Iowa). These donations will qualify for the charitable contribution deduction.

Thank you in advance for your support of Arresting Hunger!
